

# Enroll in LifeLock Identity Theft Protection

In today's world of online shopping, using public Wi-Fi and giving out Social Security numbers as a form of ID, one in four people have their identities stolen every year. Unfortunately, free credit monitoring simply alerts you to credit score changes. LifeLock not only has proprietary technology to detect a variety of identity threats, if you do have an ID problem, our U.S.-based team of specialists can fix it. That's why it pays to protect with the best.
